8. Proposed change to Rule 5:
 - a. Replace whole rule with: "5. As a competitive club, playing league matches is a core part of our activity. Players should apply themselves seriously to the game of netball and engage in activities outside of the Club to promote and maintain their personal fitness. They should regularly attend training and normally be available for matches when selected. Players who are unwilling or unable to do so may be asked to leave. The same applies to those who cannot be selected to play in matches because of lack of personal fitness or of ability in netball."
9. Any other business
