

## **Attending Little League in 2021**

### **Before you come**

If you have not already booked a place there may still be time to do so, but note that we have a strict pre-booking policy as part of our Covid precautions. It goes without saying that if anyone in your household is showing any of the symptoms of Covid all household members should stay away.

It Play is outdoors, so players should wear Little League kit or (if new to the league) other clothing suitable for the weather. Wear sensible laced up trainers and no jewellery. Nails should be cut.

### **Arrival**

The Little League is at The University of Birmingham School, Weoley Park Road, Selly Oak, Birmingham B29 1QU. From the A38 turn into Weoley Park Road, take the second entrance on the left and follow the road round behind the school to the Car Park. The Car Park is free at weekends. Go to the big black gate, where you will be admitted to the compound. Do not attempt to enter while people from a previous session are leaving. Your daughter should give her name at the gate to be ticked on the register.

The School has asked us not to admit spectators (this is also an England Netball Rule). However we have agreed that any parent whose child needs the reassurance of their presence may come in but must remain socially distanced from other players, parents and officials. This means one parent only, and only for so long as is necessary: no family groups are allowed.

Everyone must sanitise hands on arrival. There is a sanitisation station on the pillar just past the entrance gate. Players and officials will sanitise hands and netballs every 15 minutes.

### **At the Session**

No previous netball experience is necessary – coaching will be given according to age and experience – the aim is to get everyone to a stage where they can play a modified game of netball. The modifications are laid down by England Netball to minimise close contact and the risk of transmission of Covid.

There will be a tuck shop selling bananas, chocolate, crisps and hot and cold drinks. There will be no unwrapped sweets. Please queue 2m apart and, if you can, put exact money in the tray provided. We want to eliminate giving of change if possible.

Toilets may be used if necessary. Enter the school building through the doors that face the courts, turn left and the toilets are down the corridor on the right.

### **Leaving**

Be ready to collect your daughter five minutes before the sessions ends. Please observe social distancing. Please leave promptly at the end of the session, ensuring that all rubbish is put in the bins or bin bags provided.

### **What next?**

If your daughter wants to continue with the little League there is a one-off charge of £10.00. There is also a returnable deposit of £10.00 for kit. We do not accept cash.

The details for payment by bank transfer are as follows:

Bournville and Selly Oak Little League

Sort code: 30-94-74

Account number: 10293560
